

PONTOS Vision: to achieve security continuum in all relevant directions, as a general interest mission entrusted by our Clients.

PONTOS Mission: to contribute to achieving the security-safety continuum through Consulting & Training, involving our Recognized Partners & Lead Experts in liaison with the Institutions.

The PONTOS **Training Catalogue** embodies the PONTOS mission; it stems from a collective way, the needs of our Clients and the inputs from our Lead Experts.

- **Maritime-Land** continuum
- **Europe-Africa** continuum
- **Public-Private** continuum

All supported by a wide experience of the Projects in Africa.

- ✓ *Uniting related expertise beyond silos (Unity is strength).*
- ✓ *Reconciling Global Standards with Local Knowledge.*
- ✓ *Focusing on Human being at the core of the Project.*

Organization

Runned by Jean-Louis LEOPOLD & Emilie MARIONNET, PONTOS is an agile and adaptive **solution-driven** organization which unites Land & Maritime Security players and Lead experts in **Europe & Africa,**

*in view of providing best **Solutions** to Clients needs.*

Our '**One-Stop-Shop**' deals not only with security needs, but also many related fields such as crisis communication, legal, supply chain, Authorised Economic Operator (AEO), ISPS, Goods transport, etc.

Through our **e-learning** community platform, we also offer e-courses to optimize your training costs.
